

PURPOSE MAP

The need or challenge that I am/we are addressing is...

ACTIONS

What has already been tried (if anything) in my/our school, district, or state to address the challenge?

RESEARCH & EVIDENCE

What research findings or promising practices relate to this need or challenge?

To what extent do those research findings or promising practices fit in my/our context?

Who else needs to more fully understand the need or challenge?

What people or groups are affected by the need or challenge?

Who are the decision makers who could influence an outcome?

PEOPLE

What does each person/group care about?

How might s/he/they describe the need or challenge?

If the need or challenge were solved, here's what I/we would...

Some ideas of a solution might be...

Interested in using these tools to plan, assess, and effectively communicate the impact of teacher leadership in your school/district?
