Bringing the intangibles of a classroom to a digital space

NORMS: YOU KNOW WHAT TO DO & NOT DO!
Zen Powerpoint/Slides Presentations

- A Powerpoint or slide presentation that has no words following the opening slide
- Pushes the presenter to find an image that can convey entire ideas
- Challenges the presenter to know their content well enough that they can not use the words on a slide as support to their presentation
- Gives the audience a visual to connect with the learning
- Fun
Safety First!
