Google-ing OUT!

In partnership with CTQ | April 17, 2020

* This session will be recorded and shared after its completion. Your participation serves as consent to share your name and contributions to the conversation.
Inform how educators develop as leaders and how systems approach efforts to change and improve

Inspire the field to reimagine how collectively-led schools can better serve students

Innovate with partners around student-centered, educator-led efforts to transform schools and school systems
Clear and stated purpose:

Participants will be introduced to Google Classroom, FlipGrid, and a few other helpful spaces to design and build easy-to-implement online instruction.

My connection to CTQ: I met Lori Nazareno at an event for Denver Public Schools when I was a coach for the Student Board of Education. She invited me for ‘calamari’ with a few other CTQ teachers in Colorado, and I was HOOKED! I’ve been invited to 2 CTQ Writing Workshops in NC and have served as a VCO and TLI instructor for CTQ. I have also written a few pieces that have been published courtesy of CTQ and other education affiliates. I am truly blessed to be part of such a dynamic teacher collaboration!
